School Meal Costs 2013-14

The following calculations have been made based on the published School calendar dates for the academic year 2013-14. They take into account term dates and published inset dates. They do *not* take into account any pastoral or academic review dates that may be set after September 1st – these will be factored into half-termly or termly payments appropriately.

The cost of meals is £2.50 per day, or £12.50 per week. If a child pays for a meal on a Drop Down Day, they will receive a packed lunch.

Autumn Term Half Term 1: 35 days = £87.50

Autumn Term Half Term 2: 33 days = £82.50

Spring Term Half Term 1: 30 days = £75

Spring Term Half Term 2: 28 days = £70

Summer Term Half Term 1: 24 days = £60
